THE BRIDGES THAT CONNECT US

WHO WE ARE

LMD provides Audit & Assurance, Business Outsourcing, Advisory and Tax & Legal services.

We are present in Lisbon and Oporto, through the companies Luís Miguel Damas & Associados, SROC, Lda. (LMD SROC) and Luís Miguel Damas - Consulting, Lda. (LMD Consulting).

We seek to create value for our customers, helping to mitigate risks and take opportunities.

We work with enthusiasm to present innovative solutions to our customers, using, for this, the vast experience of our professionals.

As a member of Allinial Global, an association of independent firms, LMD is well positioned to respond to its clients' needs, wherever their business is.

Flexibility and agility are the heart of our organization.
We are not attached to a rigid idea that limits our search for suitable solutions for the needs of our clients.

We are sure that LMD will be particularly well placed to provide a global and diversified service, of high quality and significant added value.

This conviction is based on the professional experience accumulated by senior management and technical staff, who are effectively able to provide our clients with professional services of excellence.

Our values are reflected, on a daily basis, in the services we provide:

Quality - our commitment is to continuous improvement, achieved through the development of methodologies, processes, knowledge bases and technologies.

Integrity - competent, experienced, and honest people are the foundation of our organization. We develop our activity with our professionals, clients, and stakeholders in an honest, responsible, and sustainable way.

Independence - one of the fundamental pillars of our activity. We guarantee the transparency of our services and professional relationships between our customers and employees.

Innovation - we have international support from associated companies with experience in different industries and sectors of activity. Our services involve a careful balance between our experience and global competence.

ALLINIAL GLOBAL

Allinial Global is a non-profit association of independent auditing, accounting, and legal-tax advisors, founded in 1969, to provide support in technical and commercial practices and to improve the response given to clients, acting both locally and internationally. Currently has 235 members in 83 countries with more than 28,000 employees and 4,000 partners, whose combined revenues exceed $4.1 billion.
This global coverage helps associated companies serving the needs of their customers anywhere in the world, at any time.

Allinial Global provides connections to the Americas, EMEIA (Europe, Middle East, India, Africa) and Asia Pacific region. It also promotes links through global relationships with members and partners. This way, members can collaborate with international associated companies maintaining the same high-quality standards.

All members of Allinial Global are independent companies. Although each company stands out on its own, the strong relationships developed between companies combined with a fruitful exchange of ideas end up fostering the development of all members.

The commitment shared by Alllinial Global members is the client focus.
